The Legacy Lot Project Advisory Planning Team

This past summer the Edinburg CUSD #4 Board of Education was able to purchase a lot adjacent to the school property from a local source. In its consideration for the future of the lot, the Board of Education has decided to commission a planning team to review and vet all proposals and ideas for the usage of the lot through this team.

This Advisory Planning Team will consider all ideas and proposals for the school district's usage of the lot through processes and procedures which consider...

- Work within a reasonable budget for the Legacy Project
- Project a timeline for the Legacy Project which can be more than one year
- Support a variety of options to provide flexibility and multiple usages in implementing the Legacy Project
- Insure that the Legacy Project will promote and support improved learning, teaching, and student achievement.

This Advisory Planning Commission is slated to have 9 members. Three Board of Education of Members from the Building Committee will serve with 2 Staff Members, 2 Parents of Current ECUSD #4 students, and 2 Members from the Community-at-Large representing the Business & Local Community who do not have current students in the school district.

Persons interested in serving on the Legacy Lot Advisory Planning Team must be over 18 years of age, a resident of the school district for the 4 members representing the community, and submit a letter of application stating why you are interested in serving on this group. Applications are available at the school district building and district offices, the Herald Star, and the Citizens Bank of Edinburg from September 4-12, 2008.

The Edinburg CUSD #4 School Board will be reviewing these applications and selecting the final membership for the Legacy Lot Advisory Planning Team the week of September 14-18, 2008 with the public announcement of the Team membership at its September 18, 2008 Board of Education Meeting. For further information or questions, please call Lynda E. Irvin, Superintendent at 217-623-5603.
